1. In multiple rooms the price of the accommodation is per person/per bed and may have to be shared with other guests, part or not of the same group. Towels can be provided for a fee (not included in the room rate). The guest is responsible for making his or her own bed. People under 16 years of age are not allowed to be lodged alone in a multiple room unless the group leader takes full responsibility (by written request).

2. The singles and doubles are priced per room and the above rates between 12 and 30 years old applies only if at least one of the guests is under 31. These private rooms are entitled to daily cleaning, the bath towels are changed every three days and bed sheets once a week.

3. The extra bed is only applicable to the double rooms to accommodate a third element over 3 years of age since our available beds have no protective grills. Children under 3 years old are free of charge but our organization - DRJ does not provide a crib or a carrycot, being the guest responsible for it.
